

Mean Well Open Frame Industrial – Green PCB Type
AC/DC Power Supplies Available at CDI

MEAN WELL Open Frame Industrial “ Green PCB Type AC/DC Power Supplies Available at CDI

Description

default watermark

Mean Well Open Frame Industrial “Green PCB Type” AC/DC Power Supplies Available at CDI

The highly reliable **MEAN WELL open frame power supply series** offers high efficiency and performance in very high density footprints. This series provides full range AC Input from 85-264VAC and output voltages from 3.3V to 48V.

Other features include extremely low no-load power consumption <0.1W~0.5W, full protection functions and international safety compliance. Look to CDI for MEAN WELL open frame power supplies that provide exceptional price-to-performance solutions for **various industrial applications**.

Industrial “Green PCB Type” Open Frame Models at CDI:

Wattage:	15W~500W
2.5" x 1.8"	EPS-15
3" x 2"	EPS-25 / EPS-35 / EPS-45S / EPS-65S / EPP-120S
4" x 2"	EPS-45 / EPS-65 / EPS-120 / EPP-100 / EPP-150 / EPP-200
5" x 3"	EPP-300 / EPP-400 / EPP-500
Others	ELP-75

Industrial Green PCB Type Open Frame Models at CDI

Features:	Applications:
• 3" x 2", 4" x 2", 5" x 3" complete sizes for choice	• Industrial Automation Machinery
• PFC models: EPP, ELP series	• Industrial Control System
• Non-PFC models: EPS series	• Mechanical and Electrical Equipment
• No load power consumption <0.1W~0.5W	• Electronic Instruments, Equipment, or Apparatus

â€¢ Suitable for ErP regulated end systems

About Mean Well

Component Distributors, Inc. (CDI) is an authorized stocking distributor partner for **MEAN WELL** Power Supplies. CDI provides in-depth stock and highly qualified product specialists to assist you with your most demanding requirements. MEAN WELL offers the industry's largest selections of high quality standard power supplies including AC/DC power supplies, LED Drivers, DC-DC converters & DC-AC inverters. With over 50 years of experience, CDI delivers exceptional service and product knowledge to provide the right solution for your application.

About Component Distributors, Inc. (CDI)

Component Distributors, Inc. (CDI) is a value-added distributor of high-performance LED, Power, RF & Microwave, Wireless and Sensor component technologies. CDI distributes globally and provides local application support and custom service across the Americas. CDI delivers cutting edge power electronics by wrapping application support, development tools and design services around high-performance products from industry leading manufacturers.
