Linx Technologies Lightning Arresters for Protection from Overload in Electronic Circuits

Linx technology offer **lightning arresters** for protection from overload in electronic circuits by diverting excessive current generated by thunderstorms directly to ground.

Essential for protecting your equipment from the potential dangers of lightning and providing peace of mind for outdoor networking applications.

[Buy at CDI](#)

There are Four Parts Available at CDI:

[ARR-NF-NF-B](#)

[ARR-NF-NF-B-8](#)

[ARR-NF-NM-B](#)

[ARR-NF-NM-B-8](#)

Applications Include:

- Outdoor Networks
- Low-power, wide-area (LPWA)
- Helium™, LoRaWan®, Sigfox®, Wifi HaLow™
- Private Cellular Networks
- Citizens Broadband Radio Service (CBRS)
- Public Safety
- Internet of Things (IoT)
- C-V2I (Cellular Vehicle to Infrastructure)
- Cellular IoT
- LTE-M (Cat-M1), NB-IoT
- Cellular
- 5G/4G LTE/3G/2G
- WiFi 6E/6/5/4, 802.11b/g

Key Features Include:

- 0 to 6GHz and 8 GHz operation
- Gas discharge DC pass-through type lightning arrester
- Brass hex nut, washer, silicone gasket and optional mounting bracket provided
- IP67 rated
- Gold-plated brass center contact

CDI works continuously with our vendor partners to connect our customers to products and solutions that accelerate their time to market. CDI will leverage its product knowledge, technical expertise, and evaluation tools to find the right solution for your design.

For more information, or to learn how we can help drive your success, please visit www.cdiweb.com or email us at sales@cdiweb.com.

Linx Technologies

Linx Technologies strives to make every engineer a hero in record time™ by minimizing the risk, delays, and technical challenges for design engineers to make their products wireless and connect to the Internet of Things (IoT). Linx manufactures wireless components including antennas, modules, remote controls and RF connectors. If you choose to incorporate our components in your design, we relentlessly focus on ensuring your successful product launch.

About Component Distributors, Inc. (CDI)

Component Distributors, Inc. (CDI) is a value-added distributor of high-performance LED, Power, RF & Microwave, Wireless and Sensor component technologies. CDI distributes globally and provides local application support and customer service across the Americas.
