TDK InvenSense Industrial Motion Sensors at CDI

TDK InvenSense SmartIndustrial™ portfolio of 6-Axis IMU and 3-Axis Accelerometer products delivers the precise motion, vibration, and inclination measurements that these applications need. These products, the [IIM-42351](#), [IIM-42352](#) and the [IIM-42652](#) offer the ability to take precise measurements in harsh environments with vibration and wide temperature variations.

TDK's™ broad portfolio of **Industrial Motion Sensing** solutions offers customers a range of performance and cost choices, enabling a wide variety of Industrial navigation, stabilization, and monitoring applications.

Industrial Applications Include:

- Precision Agriculture
- Construction Machinery
- Drones
- Automatic Guided Vehicles (AGVs)
- Robots
- Industrial Motors

Motion sensor data has become critical in enabling automation, improving efficiency, and monitoring conditions in these industrial applications. By combining its innovative **MEMS Motion Sensor technologies** with its expertise of Industrial applications, TDK offers unique capabilities such as fault-tolerant motion sensing.

CDI works continuously with our vendor partners to connect our customers to products and solutions that accelerate the time to market. CDI will leverage its product knowledge, technical expertise, and evaluation tools to find the right solution for your design.

For more information, or to learn how we can help drive your success, please visit www.cdiweb.com or email us at sales@cdiweb.com.

TDK InvenSense

InvenSense, Inc, a TDK Group Company is part of the Sensor System Business Company within TDK and is the industry leader in MEMS Motion, Audio, and Pressure Solutions for the consumer, industrial, automotive, and IoT market segments. TDK provides a very robust portfolio of MEMS 3/6/7/9 axis motion sensors, accompanied by the highest performing MEMS audio microphones, and pressure sensors. TDK continues to push the boundaries of performance and quality; setting new standards of innovation across multiple industries.

About Component Distributors, Inc. (CDI)

Component Distributors, Inc. (CDI) is a value-added distributor of high-performance LED, Power, RF & Microwave, Wireless and Sensor component technologies. CDI distributes globally and provides local application support and customer service across the Americas.
