Component Distributors, Inc. and BeRex Announce Newly Signed Distribution Contract

Denver, CO â€“ October 2, 2023 â€“ Component Distributors, Inc. (CDI), a leader in the distribution of high quality electronic components, is excited to announce a new distribution contract with BeRex, a renowned manufacturer specializing in advanced Radio Frequency (RF) semiconductor solutions. The contract, effective immediately, signifies a strategic partnership between the two companies aimed at expanding their reach and enhancing their service to customers.

Doug Slansky, President at CDI, stated, "This contract marks a significant milestone for both companies. BeRexâ€™s innovative RF semiconductor products are a perfect complement to CDIâ€™s existing portfolio, a this collaboration will enable us to offer an even wider range of solutions to meet our customersâ€™ needs."

The new agreement will allow CDI to distribute BeRexâ€™s cutting-edge RF semiconductor components, inclu high-performance RF discrete components as well as highly integrated RF Front-End solutions to their broad b customers.

"CDIâ€™s reputation for customer service and logistical excellence makes them an ideal partner for us," said Y Song, General Manager at BeRex. "We are thrilled about this collaboration and are confident that it will be ben for both parties as well as for our end-users."

For more information regarding this new partnership, please contact Doug Slansky, President at Component Distributors, Inc., at doug.slansky@cdiweb.com or visit www.cdiweb.com.
