HTM Sensors has added yet another great product to their line-up!
Dual C-Slot or T-Slot Cylinder Sensors

HTM Sensors Pneumatic Cylinder Sensors are built to provide reliable operation of pneumatic cylinders fo motion control applications in any manufacturing environment. HTM Sensors provides easy mounting T-sl slot, Dovetail and Tie-rod mounting options to match the design of most used pneumatic cylinders.

Twin Cylinder Sensor, 2x Smart Select NPN/PNP, Normally Open Output, M12 A-coded 4 pin Quick Conn

NEW! PCDC-D05/17S-A4S0.3/P12

HTM Sensors Pneumatic Cylinder Sensors are built to provide reliable operation of pneumatic cylinders for motion control applications in any manufacturing environment.

- C-Slot Twin Cylinder Sensor
- 2x Smart Select NPN/PNP
- Normally Open Output
- M12 A-coded 4 pin
- Quick Connect

NEW! PCDT-D06/18S-A4S0.3/P12
